

Early Years

Literacy information evening

Wednesday 14th September 2022

6.00-7.00pm

Reading and writing are life skills that everyone should have the opportunity to learn.

Rick Coleman

Come and join us at our invaluable information evening where we will share with you some of our resources that we will be using when teaching your child to read, and discuss with you how you can support at home. Even if you already have a child in school or have previously had a child in school, our reading and writing may be different to the way your older child was taught, so please attend if you are able.

During the hour we will talk you through our reading book and phonics schemes and the methods we use for encouraging your child to talk freely about the books they have read,

fostering a love of books and reading right from the beginning.

We will share with you our teaching of phonics and how this has a positive impact on your child's reading and writing and we will also show you the ways in which we encourage early mark making and writing skills.

We hope you can all attend.

Mrs Billingham, Miss Shipley, Mrs Syree and Miss Greener
