17th April 2018

Dear Parents and Carers

Sex and Relationships Education

During terms 5 and 6 children in all year groups will be involved in learning about Sex and Relationships (SRE) as a part of the Personal, Social and Health Education (PSHE) curriculum. This content is taught every two years as part of our rolling programme. We hope that you agree that SRE is an important part of your child's education for life.

We follow a scheme of work called "Jigsaw" for our PSHE curriculum and within this scheme SRE is covered. The content of the lessons is relevant to the age of the children and all materials are produced in a sensitive manner.

In order for you to be informed about the content of the curriculum for each year group, an overview of the learning outcomes for each year group is attached to this letter. Because of our mixed age classes, children in years 1 – 6 will receive two overviews as follows:

Cherries and Apples – Reception only
Pears, Beeches and Rowans – Years 1 and 2
Willows, Silver Birches and Redwoods – Years 3 and 4
Maples, Cedars and Oaks – Years 5 and 6

Should you wish to look at the materials that we will be using in school, please contact the school office.

Although we would hope that all parents agree that their children can participate in this part of the curriculum, parents are able to withdraw their children should they wish to do so. **If you wish to withdraw your child then please contact your child's teacher by Friday 20th April 2018.**

Should you wish to discuss the content of the learning further then please speak with the class teacher or myself.

Yours sincerely
