

14th March 2025

Dear Parents / Carers,

Next Friday, 21st March, it will be the 40th anniversary of Comic Relief and the School Council are keen to mark the occasion in school.

We are inviting all children to add a bit of red to their usual school uniform that day, for example, a red cardigan, red hair bow, red socks or tights, etc. They can wear their red nose too, if they have one!

We are also inviting the children to bring in a funny joke (or two) which they can share with their classmates. They can write these down or just memorise them and at some point, during the day, they will be invited to tell their joke to make their friends roll about with laughter!

At lunchtime, the School Council and the Year 6 Sports Crew will be working together to provide some fun Red Nose Day themed sports activities for the children to take part in too.

We are also asking for a £1 donation to Comic Relief. Please make your donation on MCAS.

We hope this will all make for a fun day for the children and help raise the awareness of Comic Relief and all that it stands for!

Many thanks for your support with this.

Miss Barr and the School Council
