

# How many Bounces can you do in one minute?

On **Friday 28<sup>th</sup> March** we will be having a Sponsored Bounce for the children at **Hawthorn for children in UKS2 (Y5 and Y6)**. This is a great new event to raise money for the school – it was extremely successful when run for the lower years earlier in the year. A Bouncy Castle will be set up in the playground (or the hall if the weather is poor), and all the children, in small groups, have a turn to bounce.

Whilst the children are having fun, a minute of their 'bounce' is timed and the number of bounces they do during this time will be counted and recorded on their certificate. There may be prizes for best bounce style, number of bounces etc.

Please would you kindly help your child/ren ask their family members and friends for sponsors, any amount is welcome no matter how small. This will be for taking part in the activity. For obvious reasons of safety, **PLEASE DO NOT** let them go knocking on people's doors in the street.

Please could all sponsorship forms – and the money raised for taking part be returned to school on **Friday 28<sup>th</sup> March**. All sponsorship money will need to be in cash. All children who raise money for the school will be rewarded with a house point for community.

All the monies raised from this year's bounce will go towards the celebration rewards held at Hawthorn: toast and tales, school values and book raffle afternoon teas, book prizes for the reading raffle etc.

We hope you can support us with this venture and look forward to a fantastic fun day.

Thank you in advance for your support,

Mrs Tinto

**Assistant Head Teacher**
