7th July 2025

Dear Parents and Carers,

Our children are studying local areas as part of this term's Geography unit "Comparing Local Environments". They will have the opportunity to collect data in two local areas to answer their enquiry questions comparing Kettering town to Walgrave village.

The children will be walking to Kettering town on Wednesday 16th July to observe and collect data.

They will also be travelling on the school minibus to Walgrave village to complete their comparison. These visits will take place on:

Cedars and Oaks class: Thursday 17th July
Maples class: Friday 18th July

The time in the local areas will be spent walking, observing the human and physical features and completing a traffic and footfall data collection activity.

There will be no charge for these events. The events will be completed during the school day therefore children come to school as normal, and will be back at school for the usual end of day arrangements. There is also no need to change your child's lunch arrangements for these days.

Please give your consent on MCAS under Trips and Events by Friday 11th July.

If you have any questions regarding this event, please message Mrs Tinto via Class Dojo or ring the office.

Kind regards,

UKS2 Team
