

Northamptonshire Holiday Activities and Food Programme (HAF) – Summer 2025

You are receiving this letter as you are entitled to HAF funded holiday camps during the Winter, Easter and Summer holiday periods. For the Summer 25 programme, we have changed booking systems to 'Eequ', this new system will allow greater ease for families to access HAF provision and use to book sessions. The key information you need to know regarding the new system:

- You can access the booking system now via <https://eequ.org/hafnorthants>, here you can create your free account, view what provision is available and book your sessions.
- The system is live for bookings **now** and will remain open across the whole of the 6 week summer holiday period
- There are **NO** longer any vouchers/codes sent from schools. You can access the system directly using the link above and book with eligibility being checked afterwards.
- You will have 16 credits to use for the Summer programme, our most popular camps will have restrictions on to limit the number of places a single individual can book to ensure all families have the opportunity to book.
- When you make a booking, it will appear as 'Pending'. It will remain as pending until the camp provider has approved it **AND** the eligibility has been checked. You will receive updates via email and on your profile of the current booking status.
- The programme will run from Wednesday 23rd July 2025 through to Friday 29th August 2025 excluding weekends. There is a help guide below explaining how to book using the new system beforehand: <https://help.eequ.org/en/articles/220821-quick-guide-on-how-to-book-a-haf-session>

There are still thousands of places remaining for the Summer programme ranging from a wide range of different provision including: Different Sports, Arts & Crafts, Music, Drama, Dance, Computer coding, Rock climbing, Go karting, soft play, multi activity and much more!

We understand there may be some concern and/or questions with such a big change, so any HAF questions we're happy to help at the usual email: HAF@northamptonshiresport.org. For any direct booking system questions / issues, EEQU can be reached via the email: hello@eequ.org or via live chat on their website.

Kind regards

The Northamptonshire HAF Team
