

## Northamptonshire Holiday Activities and Food Programme (HAF) – Winter 2025

You are receiving this letter as you are entitled to HAF funded holiday camps during the Winter, Easter and Summer holiday periods. With the fantastic news that the funding for the HAF programme has been extended for another 3 years, preparations for the winter 25 programme are well underway. We are pleased to be able to share the important information and dates for your diaries with you now:

- The programme will run on selected dates from Friday 19<sup>th</sup> December 2025 through to Friday 2<sup>nd</sup> January 2026
- We will continue to use the 'EEQU' booking system introduced during the Summer and this will be open for bookings on **Tuesday 25<sup>th</sup> November 2025 at 4pm**
- You can access the booking system via <https://eequ.org/hafnorthants>, here you can login or create your free account, view what provision is available, register your interest and book your sessions once the bookings are live. (Please note that not all camps will be visible now)
- As with Summer, there are **NO** longer any vouchers/codes sent from schools. You can access the system directly using the link above and book with eligibility being checked afterwards.
- Each eligible individual will have 4 credits to use for the Winter programme. Our most popular camps (including pantomimes) will have restrictions on to limit the number of places a single individual can book to ensure all families have the opportunity to access.
- When you make a booking, it will appear as 'Pending'. It will remain as pending until the camp provider has approved it **AND** the eligibility has been checked. You will receive updates via email and on your profile of the current booking status.
- There is a help guide below explaining how to book using the new system beforehand: <https://help.eequ.org/en/articles/220821-quick-guide-on-how-to-book-a-haf-session>

As always for any HAF related questions we're happy to help at the usual email: [HAF@northamptonshiresport.org](mailto:HAF@northamptonshiresport.org). For any direct booking system questions / issues, EEQU can be reached via the email: [hello@eequ.org](mailto:hello@eequ.org) or via live chat on their website.

Kind regards

The Northamptonshire HAF Team
