Willows, Silver Birches, Redwoods

21st April 2026

Dear Parents/Carers

FIELDWORK AFTERNOON TRIP TO SLADE BROOK Monday 27th April, 2026

This class trip to Slade Brook will allow the children to revisit and embed knowledge from their Wonderful Water topic in term 3 and 4. They will be locating river features as well as the physical and human features in the local environment.

The path we will follow is set back from the brook and the children will not be walking close to the water itself.

Children will need to come to school in their usual uniform for that day. (If it is your PE day, please come in your PE kit). Please ensure your child is in suitable, comfortable footwear for walking. Please send them to school with warm clothing if it is a cold day, or a waterproof raincoat if it is wet!

Many thanks,

The LKS2 team
