reach **more** parents
by weduc

Dear Parent/Carers

ReachMoreParents App

As we approach half term we are writing to you with information about the new parent App (*ReachMoreParents*) that the office will be using from **Monday 1st June** to communicate with parents.

ReachMoreParents allows you receive alerts and keep updated with school news, trips, important announcements, key dates and events, attendance information and much more!

The *ReachMoreParents* App is for communication with parents only so you should continue to use MCAS for any payments to school including booking for clubs, trips and events. The MCAS App is being discontinued later in the year and replaced with ParentPay – this will be rolled out to parents at a later date.

We are asking all parents to sign up to the *ReachMoreParents* App to give you a chance to download over the holiday, explore its capabilities and start to use from **Monday 1st June**. Before the end of the week the school office will send out invites via email to both priority 1 and 2 contacts with parental responsibility. This will enable you to logon so please look out for this communication (if you do not see it please check your junk mail box).

Please see attached guide which includes help on how to access and login to the *ReachMoreParents* App.

How to log in to *ReachMoreParents*:

- By downloading the app onto your smart phone or tablet. You can download *ReachMoreParents* from the App Store or Google Play.
- By logging in via the *ReachMoreParents* website/portal at:
<https://app.weduc.co.uk/>

We will use *ReachMoreParents* alongside MCAS for messaging for the first two weeks (until 12th June) to give everyone the chance to login and iron out any issues.

We hope that it will be a smooth transition for everyone. If you do experience any problems signing up with the App, please contact the school office where we will be able to help you.

Yours sincerely

Emma Jacob

Head Teacher
