

Jigsaw PSHE is a progressive scheme of learning where knowledge and skills build year on year across the programme. The table below shows how the Changing Me Puzzle (unit of work) develops in this year group, including some of the key vocabulary. Schools may adapt content to fit their policy, so please check with your child's school for specific details.

LKS2	Puzzle overview: Changing Me	
	<p>In this Puzzle, children learn how babies grow and explore the physical changes that happen to bodies as people grow up, including some inside and outside changes linked to puberty. They develop understanding of personal hygiene and why caring for their bodies becomes more important as they grow and change. Across the six Pieces, children reflect on their feelings about change, learn correct vocabulary for body parts, challenge family stereotypes, and consider who they can ask for help if they feel worried. They also think about future transitions and how to cope with them.</p>	
	Knowledge	Social and emotional skills
	<ul style="list-style-type: none"> • I understand that in animals and humans lots of changes happen from birth to fully grown, and that in mammals it is the female who has the baby • Can identify how boys' and girls' bodies change on the inside during the growing up process and why these changes are necessary so that their bodies can make babies when they grow up • I understand that as boys' and girls' bodies change at puberty, they need to think more about keeping clean and healthy • I know some simple ways of keeping clean which can keep me healthy and protect me from some infections • I can start to recognise stereotypical ideas I might have about parenting and family roles • I can identify what I am looking forward to when I move to my next class 	<ul style="list-style-type: none"> • I can express how I feel when I see babies or baby animals • Recognise how I feel about these changes happening to me and know how to cope with those feelings • I have started to think about the ways to keep my body clean as I grow up and how I feel about this • I can express how I feel when my ideas are challenged and might be willing to change my ideas sometimes • I can start to think about changes I will make next year and know how to go about this
