

Hawthorn Community Primary School

EYFS Forecast Sheet

This term our theme is:
'The Deep Blue Sea'

Mathematics

This term we will be consolidating our understanding of numbers to 20. We will learn about odd and even **numbers**, doubling, grouping and sharing, using this knowledge to help us solve problems. Later on in the term, we will consolidate our understanding of patterns and continue to work on solving problems

Expressive art and design

We will be using all we have learnt to create pictures, collages and songs. We will talk about our ideas, the features of our work and how we might improve it. We will make sure we can use a variety of tools safely and choose the appropriate technique to achieve what we want.

Literacy

This term our writing will be inspired by 'The Innkeepers lunch' by Ronda and David Armitage. We will be sequencing and writing our own stories with a beginning, middle and an end. We will focus on using capital letters, full stops and finger spaces in our writing. As always, we will continue to develop our phonic knowledge in our daily lessons.

Reading and The Library

Please try and read with your child at least 5 times a week. The children receive a raffle ticket for every 5 reads they complete. At the end of the term they then have a chance to win a book in the reading raffle. You must record your child's reads in their reading record.

We will continue to visit the library on a **Wednesday**. Please send your child in with their library book on this day.

Understanding the World

Our learning will focus on contrasting environments. We will compare environments noting their similarities and differences. We will also learn about Grace Darling and why she was an important person from the past. In RE, we will be learning about 'What is special about our World?'. We will also learn the Christian creation story.

Physical Development

This term we will be going to **Forest School** on a **Thursday. Children will need to come to school in their PE uniform on this day.**

In preparation for Sports Day, we will try different racing events and practise managing our feelings when winning or losing. With our handwriting we will continue to work on letter formation and sitting letters on the line.
