11th June 2026

Dear Parent/Carer (Year 5 children)

RE: STEM (Science, Technology, Engineering & Mathematics) Day at Southfield School

Your child will be taking part in a STEM Day at Southfield School on **Thursday 18th June**. Hawthorn is working in partnership with Orbis Education Trust to deliver this enrichment day and there will be no charge for the activity.

The day will be comprised of a variety of activities, with an overall theme of being 'Doctor for the day'. It will be a 'hands on' day: children will be given a number of opportunities to explore ideas around the subject of biology (including practical exploration of organs involved in the human circulatory system).

We will leave school shortly after registration and return ready for a normal end to the school day. The children will walk to and from the venue, so please ensure your child attends with a suitable coat if bad weather is likely.

Please ensure **school uniform is worn** for this activity and that the children bring a packed lunch. If you have ordered your child's lunch from Kingswood this will be substituted for the Trip Packed Lunch option and will be delivered to school before they leave in the morning.

Please complete the online form using the link below to provide us with information for our risk assessments. Please complete by **Monday 15th June**.

[Year 5 STEM Day at Southfield School](#)

Yours sincerely,

Luke Dix

UKS2 Lead
