Dear Parents / Carers

## **Hamerton Zoo Park – Monday 22<sup>nd</sup> June 2026**

We are looking forward to our trip to Hamerton Zoo Park on **Monday 22<sup>nd</sup> June**. During our visit, all children will take part in a “Adaptation to habitats” workshop lasting approximately 30 minutes. Children will explore how animals evolve to suit different environments, focusing on desert species which we have been learning about in science. They will get the opportunity to get up close to some small animals.

We will make sure all children wash their hands thoroughly before and after the workshop.

The children should wear their school PE uniform and trainers. They should also bring a waterproof coat. Please apply sun cream before they come to school.

### **Lunch:**

Please bring a packed lunch, a small snack and a bottle of water. If you have ordered a lunch from Kingswood this will be delivered to school first thing in the morning.

The coach will leave school just after morning registration and should return to school by the end of the school day.

If you have any questions, please do not hesitate to contact us.

Yours sincerely
