

FRIENDS OF HAWTHORN

Spring/Summer 2026 Newsletter

School's Out!

All of us at Friends of Hawthorn would like to extend our warmest wishes to our outgoing Year 6 children, and wish them the very best as they move onto secondary school and beyond.

Hopefully they take with them some wonderful memories of their time at Hawthorn, including the special experiences we work so hard to provide.

This year, we organised...

Break the rules day
Christmas Fair!
Christmas books for every child
Jolly Jars!
Silent disco
Mothers Day gift shop
Father's Day gift shop
Logo competition!
summer fun day

We couldn't have done this without the hard work and dedication of our volunteer parents/carers, and the ongoing engagement from everybody at home. Thank you!

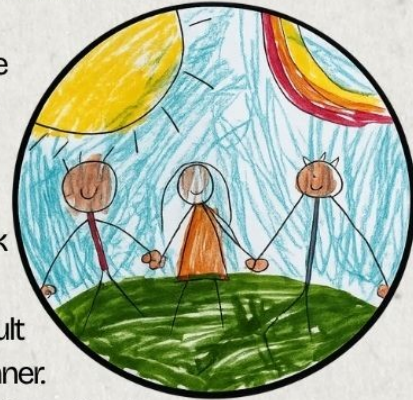

Congratulations to our logo competition winner!

The FOH Committee cast their votes and **Elsie** from **Willows** came out on top!

Well done and thank you to all entrants-

we had a very difficult time choosing a winner.

Hawthorn is full of talented artists.

Looking Ahead...

The Autumn term brings us to our Annual General Meeting, with the date to be confirmed.

In September, FOH will also be launching a poll for parents, children and staff. We'd love to hear what you want from your PFA and where you feel we can make the biggest difference for our children. Keep a look out for it!

Have a wonderful summer holiday from all of us at Friends of Hawthorn.

Get involved!

If you'd like to become part of Friends of Hawthorn or you have any bright ideas or questions, please reach out to Claire or Cherry via the FOH email (below) or the school office. We would also warmly welcome you to our next FOH meeting, date to be confirmed in September.

Please remember- having your child at Hawthorn means you are already part of the Friends of Hawthorn community. Any time you can spare is wholly appreciated. Being involved is a great way of getting to know the school, meeting other parents and even having your say on how we spend hard earned funds!
