

Hawthorn Community Primary School

EYFS Forecast Sheet

Term 1 2026

This term our theme is:

Ourselves and Down on the Farm

Literacy

We will be learning about letter sounds and how they can be used to read and write. We will explore lots of stories and rhymes including The Little Red Hen, where we will learn to orally retell and sequence the story.

Maths

This term we will be reciting the number names forwards and backwards to 10, matching number names to representations, subitising (instantly recognising up to 5 objects/pictures) and counting different arrangements of objects.

Expressive art and design

We will be learning how to use our new Creation Station where we will explore different painting techniques, junk modelling and malleable resources. We will also be using different stimuli to create our own observational drawings.

Understanding the World

This Term we will be thinking about what makes us unique. We will talk about our families and people who are familiar to us. We will also discuss our own similarities and differences. We will also learn about different celebrations such as weddings, Diwali, Hanukkah and Harvest. Later on in the term, we will explore Autumn and observe the seasonal changes that happen each year.

Physical development

There will be no PE this term. Please send your children to school in their school uniform each day. Later in the term, we will visit Forest School at St Peter's. Children can come to school in their PE kit on those days. We will let you know closer to the time when this will be.

This term our wellbeing focus will be on the British Value of **Community**. We will then continue to build upon our understanding of this value throughout the term.
