Dear Parents/Carers

Individual and Sibling Photographs – JS Photography for Schools

The school photographers will be visiting on **Tuesday 13th October** to take individual pupil photographs and photographs of siblings who attend our school.

Please ensure your child comes to school wearing their **full school uniform**, including their school jumper or cardigan. If your child normally has PE on this day, please send them to school in their uniform and provide their PE kit for them to change into later.

If you would like your child to have a photograph taken with a **pre-school sibling**, please come to the school office at **8:30am**. Unfortunately, we will be unable to accommodate sibling photographs after **8:45am**, as the school day will have started.

Following the photography session, **JS Photography for Schools** will email parents/carers directly with a proof of their child's photograph. Any orders should be placed online using the details provided. There is no obligation to purchase photographs.

Parents/carers have previously given consent via the school's Permissions Form for contact details to be shared securely with the photographer for the purpose of sending proofs directly to families.

JS Photography's Data protection policy is attached fyi.

Thank you for your cooperation.

Yours sincerely

J Tinto
