

Traffic & Parking Around Our Schools

Keeping our children, families and local residents safe

The five schools in our local area are working together to help reduce traffic and parking problems around our school gates at drop-off and pick-up times.

Why does it matter?

At busy times, unsafe parking and driving can put children at risk.

Every Small Change Helps!

Here are some simple ways you can help:

Walk, cycle or scoot

Park further away from the gates

Car share

Use public transport

Use an after school club

Please remember....

Do not:

- Block driveways or entrances
- Park over or block pavements
- Stop in unsafe or unsuitable places

Thank you for helping us keep our school communities safe.

OUR SCHOOLS — WORKING TOGETHER FOR OUR COMMUNITY

Southfield School • Greenfields Primary School & Nursery • Hawthorn Community Primary School
St Peter's School • Bishop Stopford School
