# Hawthorn Community Primary School

EYFS Forecast Sheet

Term 2 2026

**This term our theme is:**

## The Big Freeze

### Literacy

This term will focus on the story of Lost and Found by Oliver Jeffers. We will learn to retell the story with actions, we will create lost posters for the penguin, and we will innovate our own versions of the story. We will use our phonic knowledge to help us write words, labels, lists and captions.

### Expressive arts and design

In Art, we will be focusing on seasonal crafts – making autumnal wreaths, salt dough decorations and beaded snowflakes. We will also be doing lots of singing and dancing in preparation for our Christmas Play later in the term.

### Understanding the World

We will be learning to describe and compare different environments. We will look at cold weather as we move into winter and how this compares to the other seasons. We will also be learning about celebrations. We will learn about Bonfire Night, as part of our learning we will find out why and how it is celebrated. At the end of the term we will discuss Christmas and look at how it is celebrated in different places around the world.

### Library

We will continue to visit the library **on a FRIDAY**. Please ensure your book is returned so that a new one can be issued.

### Maths

This term we will be learning about pattern, shape and space. We will be copying, continuing and creating both AB and ABC patterns. We will also learn about shape and position. Later in the term we will learn about length, mass and capacity. We will order objects by size and weight.

### Physical development

This term we will be continuing to work on our gross and fine motor skills. We will also be focusing on dance, where we will be moving to music in different ways – in preparation for our Christmas Play.
