

# Hawthorn Community Primary School

*'Cultivating the futures of our children'*

## **Vision Statement:**

Hawthorn cultivates the futures of our children by providing them with the skills needed for their role in the wider world. We recognise, celebrate and nurture the strengths and talents of all members of our school community.

## **Aims and Values:**

We inspire children to express their **CREATIVITY** in all areas of learning and in their wider school experiences.

We develop children's **RESILIENCE** in challenges that they may face.

**RESPECT** underpins every aspect of our school life and beyond.

We promote **THOUGHTFULNESS** in all that we do.

Encouraging **TEAMWORK** enables our children to become well-rounded citizens in preparation for their future lives.

We empower our children to have a greater understanding of their role in class, school and wider **COMMUNITY**.

## **Our School Rules:**

Be Kind

Work Hard

Stay Safe
