

Early Years

Literacy information evening

Wednesday 19th September 2018

6.30-7.30pm

Do you want to know a little more about how we will teach reading and writing this year to your children during their time at Hawthorn Primary School?

Come and join us at our invaluable information evening where we will share with you some of our resources that we will be using and explain how you can support your child at home. Even if you already have a child in school or have previously had a child in school, our reading and writing may be different to the way your old child was taught, so please attend if you are able.

During the hour we will talk you through our reading book scheme and the methods we use for encouraging your child to talk freely about the books they have read, fostering a love of books and reading right from the beginning. We will share with you our teaching of phonics and how this has a positive impact on your child's reading and writing and we will also show you the ways in which we encourage early mark making and writing skills.

During the year we complete an online learning journey which will document some of the events your child will take part in. We would like to demonstrate how you can access this learning journey and how you can contribute towards it.

We hope you can all attend.

Mrs Billingham, Miss Morris, Miss Shipley, Mrs Thomson
