Dear Parents/Carers

Individual and Family Photographs

The School Photographer will be in school to take individual and family photographs on **Thursday 11th October**. All children in school will have an individual photograph taken, and family photographs of any children who have siblings in school will be taken automatically. If you do not want your children to be photographed with their siblings, please contact the school office.

Family photos may also be taken with pre-school or older siblings. Parents who wish to have a family photograph taken with siblings who do not attend the main school are requested to arrive at school before 9.15 a.m. The family photographs will be taken in the SCHOOL HALL. Please wait outside the main office entrance until you are invited into the building which will be once the photographer is set up. We hope to start taking family photographs as soon as we can after 8.30am.

Please note that there is no obligation for you to buy either an individual or a family photograph.

Yours sincerely
