

Child Friendly Child Protection Policy

What is child protection?

All of the adults at Hawthorn think your health, safety and happiness is VERY important. We must make sure that ALL of our children are safe ALL of the time. We must also make sure you know what risks are and how you can keep yourself safe.

How do we keep you safe?

We give you a safe environment to learn in.

We help to make sure you are safe at home and school.

We tell you where to get help if you feel unsafe, worried or hurt.

Don't keep it a secret if a CHILD or ADULT is ...

... hurting you or hitting you. **X**

... saying funny or unkind things to you that upsets you or makes you sad. **X**

... making you drink or eat something you don't want (alcohol, drugs or cigarettes). **X**

... touching you in places you know are wrong. **X**

You can speak to Mrs Jacox, Miss Brown, Mrs Martin or Mrs Billingham. You can also speak to another adult who you trust.
