

Hawthorn Community Primary School

LKS2 Forecast Sheet: Term 3 2022

Reading and Writing

Travel Guide Italy and Rome – Persuasive Leaflet
How to be extraordinary – Non-chronological Report
Boudicca

Skills

In reading, the children will continue to focus on developing their fluency skills to help develop comprehension skills such as retrieval and inference.

In writing, the children will continue developing the foundations of different sentence structures, including using basic punctuation and a range of conjunctions. They will also begin to apply composition techniques to show an awareness of the reader.

Maths

Multiplication and Division
Length and perimeter

Key Instant Recall Facts (KIRFs)

Year 3 – \times and \div facts for 3

Year 4 – \times and \div facts for 6, 7 and 9

All Maths homework will be set linked to developing basic written methods for addition and subtraction. This will help embed the skills we have learnt in class.

This term our theme is:

Italy and Romans

This term our school value is:

Resilience

PSHE – Dreams and Goals

In this unit of work, the children will gain an understanding of how people reach their dreams and goals, including dealing with knock-backs. This links closely with our school value: resilience.

RE – Do you think it is important which Christian denomination you belong to?

Children will gain an understanding about the different denominations of Christianity. They will be learning about the similarities and differences between two different denominations.

PE Days

Willows – Thursday and Friday

Silver Birches – Monday and Tuesday

Redwoods – Tuesday and Wednesday

Geography

The children will be focusing their Geography skills on Italy by locating this on a map and the capital city. In addition, they will identify some key physical features of Italy e.g. mountain ranges and volcanoes.

History

The children will be learning about how Roman Britain began and the key conflicts within this era. They will also begin to understand how the Romans impact life today.

Science

Nutrition and the Skeleton

The children will be learning that animals including humans need different types of nutrition and they cannot produce their own food. They will also learn that some animals have skeletons and muscles for protection.

Homework will be set on Class Dojo every Wednesday. The English homework is linked to promoting reading skills, and the Maths homework is developing calculation strategies.
