LAZY-FREE SPORT RELIEF

Welcome all sports lovers to this edition of Berry Blast in which we will learn more about our Sports Relief Activities and what is planned for this Olympic year.

Matthew Walton, who is nine, told us that "it was good because there were loads of different activities," and we completely agree. Here are some of them that we took part in through-out the day: bench ball, fitness circuit, a whole-school warm up and dodge ball. Erin Grant, who is ten, told us "it was good because everyone got involved." To raise money everyone brought in a pound and wore a sport kit instead of school uniform. From that we raised over £300! Lydia, who is 9, didn't like that it rained but we can't change the weather! We're all excited for next year!

Rio Olympic Dancing

Children in school have committed to doing a dance for the Rio Olympics. They are working very hard and practising every Wednesday. It is going to take place at Southfield School. Rio Olympics is a big event that will happen Rio this year and people all over the world will be entering. They are very brave to do it. Bollywood dancing is what we are doing to celebrate the Olympics. In total, there are 30 people from Hawthorn who will be doing the dance.

Here are some questions we asked some of them.

Q: How many years have you been dancing?

A: I've been dancing for 6 ½ years. Said Erin Grant.

Q: What age did you start dancing?

A: I started at 3. Said Lily Burns.

Q: Do you enjoy the Bollywood dance?

CORRIDOOR

WARNING!!!

**PLEASE TAKE
NOTICE!**

You should walk down the corridor; don't run and don't push other people otherwise it can cause serious injury. If you don't wipe your feet, you could hurt yourself and slip on the floor. You could cause

other people to hurt themselves as well as you. Sometimes adults need to get somewhere, so you need to let them through before you (it's polite as well). As well as teachers, you need to listen to the Year 6 monitors because they are like mini teachers; they are there to help if you need them.

The choir had an amazing time and came back with really good results and suggestions for future songs. One of them is

Disco and Easter Bonnet Parade.

Finally! The last day before half term Easter holidays is here (not that we don't enjoy school!) and everyone is happy at Hawthorn Community Primary School. Yesterday the school Disco was held but we are still waiting to hear how much we raised. The cost to get in was £2.00.

Today, the KS1 Easter Bonnet Parade went under way swimmingly. The magnificent colours went up and down the line as parents crowded around to see their children. After that, they all grouped into the hall to sing songs with Mrs Dix and to show off their hats to their friends. It has been an amazing week at Hawthorn Community Primary School and we hope you have a fantastic Easter holiday.

the boys singing a solo! The mentors were very pleased. The rest of the results are on the school website.
