

Hawthorn Community Primary School

KS1 Forecast

Term 3 2022-2023

This term our theme is: **The Amazing Amazon**

Our school value is: **Resilience**

Maths

In maths this term, Year 2 children will be learning to recognise and count coins and notes. They will then move onto multiplication and division, using the 2, 5 and 10 times tables. In Year 1 children will be learning to count and order numbers to 20. They will then progress onto addition and subtraction using numbers within 20.

Remember to look on Class Dojo for your weekly homework tasks!

Library:

Ash: Monday
Bay: Monday
Elm: Thursday

Geography

This term we will be learning all about the Amazon rainforest. We will learn to locate South America, Brazil and The Amazon rainforest on a map of the world. We will then compare the Amazon with London, discussing the similarities and differences. We will be learning about the 4 layers of the rainforest, looking at the conditions of each layer and what animals live there.

PE:

Ash and Bay:
Tuesday and Wednesday
Elm: Tuesday and Thursday

RE

This term we will be learning about the similarities and differences between a church and a mosque. We will discuss why places of worship are important and we will visit a local church.

English

This term we will be using the non-fiction text *The Rainforest Book*. We will be looking at the features of a non-chronological report (heading, sub-headings, questions, facts) before writing our own reports about a rainforest animal.

Science

Our new science unit is Animals, including humans. We will identify common animals and say if they are herbivores, carnivores and omnivores. We will learn to compare the similarities and differences between animals.

Design and Technology

This term we will be making a delicious fruit salad! We will learn about hygiene and how to prepare fruit, how to cut fruit safely and find out where in the world different fruits come from.
