9th February 2023

Dear Parents/Carers

Year 4 Residential Trip to The Frontier Centre – 29th to 31st March 2023

Thank you to those of you who were able to come to the meeting yesterday. We hope you found it useful and informative.

The trip will be led by Mrs Tinto and the accompanying staff are Mrs King and Mrs Wiffen.

On the morning of departure your child should arrive at school at the normal time. They do not need to wear their uniform. If you are bringing medication for your child please meet Mrs Tinto at the office before school to hand it over. The coach is scheduled to leave after 11.15 am - you are more than welcome to come back to wave the coach off on Hawthorn Road if you wish.

As well as their suitcase or bag your child should bring a small rucksack to take on the coach with their packed lunch, a snack, a bottle of water and their inhaler if they have one. No phones, smart watches or electronic devices are permitted on the trip.

Accompanying this letter you will find a kit list which details items that the children need to bring with them and a copy of the itinerary. Please complete the online Information Form using the link below to give us your emergency contact details, medical and dietary information and various consents necessary for the trip. This form forms a large part of our planning and therefore we will need this completed by **Friday 24th February**.

[Frontier Centre Participant Information Form](#)

The kit list is not exhaustive and it may be worth considering sending in extra items which may get wet, for example socks. However, please remember your child will be responsible for carrying their own luggage so make sure you do not over-pack.

If your child requires any medication, including travel sickness pills, these must be passed to Mrs Tinto on the morning of departure, in a clearly labelled bag or container. (Inhalers should be kept in their rucksack). Clear instructions must be provided about the administration and dosage using the schools medicine form using the link below. Any medication that is administered to your child will be reported back to you on arrival back at school on Friday.

[Residential Trip Medicines Form - Parental Agreement](#)

Bedroom allocation will be arranged nearer the time.

Clear messages about expectations of behaviour, both inside the centre and during the activities will be given to the children. They will also be warned about the consequences of inappropriate or dangerous behaviour and the risk of them being sent home early! This is a trip that we want all of the children and staff attending to enjoy.

Please do not hesitate to contact me if you have any concerns or questions.

We look forward to an enjoyable trip.

Kind regards

Mrs Tinto
