

Hawthorn Community Primary School

LKS2 Forecast Sheet: Term 4 2022

Reading and Writing

The True Story of the Three Little Pigs
Escape from Pompeii

Skills

In reading, the children will continue to focus on developing their fluency skills to help develop comprehension skills such as retrieval and inference.

In writing, the children will continue developing the foundations of different sentence structures, including using basic punctuation and a range of conjunctions. They will also begin to apply composition techniques to show an awareness of the reader.

Maths

Length and perimeter

Key Instant Recall Facts (KIRFs)

Year 3 \times and \div facts for 4

Year 4 \times and \div facts for 11 and 12

All Maths homework will be set linked to developing basic written methods for addition and subtraction. This will help embed the skills we have learnt in class.

This term our theme is:

Italy and Romans

This term our school value is:

Creativity

PSHE – Zones of Regulation

The children will be exploring how different emotions can have different words to describe them. Furthermore, they will learn how body language can display our emotions. They will link their understanding of emotions with different scenarios.

RE – Is Easter the story of new life or sacrifice?

In this unit of work, the children will focus on the story of temptation. They will make a comparison between modern day Easter celebrations with those of sacrifice, death and resurrection. They will be encouraged to explore their own views.

PE Days

Willows – Thursday

Swimming on Friday

Silver Birches – Tuesday

and Thursday

Redwoods – Tuesday

and Friday

Art

The children will be looking at mosaics and how they are formed. They will develop their own designs based on original mosaics and will evaluate their final pieces of work.

DT

The children will be learning about seasonality of Italian food and the origins of this. They will follow recipes to create some Italian food, and will evaluate the products they make.

Science – Teeth and the digestive system

The children will be learning all about the human digestive system and will be naming the main parts and their function. They will look at the different types of teeth humans and other animals have, and will learn about the function of these. They will understand the importance of teeth hygiene and the process of tooth decay.

Homework will be set on Class Dojo every Wednesday. The English homework is linked to promoting reading skills, and the Maths homework is developing calculation strategies.
