

# Hawthorn Community Primary School

KS1 Forecast

Term 4 2022-2023

This term our theme is:  
**The Rainforest**

## Maths

Year 1 will be learning about place value within 50 before moving on to find the length, height, volume and mass of objects.

Year 2 will be continuing their learning on multiplication and division before moving onto length, height, mass, capacity and temperature.

## PE

The children will be starting their preparations for May Day; they will be learning a country dance. They will also be learning to hit, catch and run in their outdoor unit.

## Computing

In computing this term the children will be learning to make their own animated stories.

## PE:

Ash: Monday and Tuesday  
Bay: Tuesday and Wednesday  
Elm: Wednesday and Thursday

## Library:

All classes on a Thursday

## Our core text:

## Homework

At the beginning of each term there will be a grid posted on Dojo. Choose one activity each week to complete.

## RE

As we approach Easter, the children will be learning who Jesus is, and why Christians celebrate Easter. The children will also look at the different ways Easter is celebrated and be able to name some examples.

## English

The children will begin the term by writing persuasive letters themed on our current topic, The Rainforest. They will be using persuasive language to convince the reader.

The children will then go onto narrative writing based on the text for the term, The Kapok Tree. The children will be working on their sentence punctuation and using conjunctions to link together their ideas.

## Science

The children will be learning to describe the lifecycle of a human and a frog. The children will also be learning what animals and humans need in order to survive, and what they need to have in order to be healthy.

## Design and Technology

The children will be learning about hygiene and why this is important when cooking. The children will also be able to cut fruit and say where in the world it has come from.
