Finding Fitness

Children must bring their own scooter and a helmet.

Children will skate around different tracks on the playground, do relay races and time trials. They will develop and improve their coordination, balance and agility through doing this club as well as increasing their fitness levels.

In the event of heavy rain the club will take place in the hall and feature fun games such as Squareball, Benchball, Kings & Queens and Bowzer's Castle.

Children will need to arrive at school in their PE kit and pack their school uniform in their bag. The class instructors will deliver children to their classroom ready for the start of the day.

To sign up to the club please complete the online form using the link below or speak to the school office. If the club is oversubscribed priority will be given to children who have not yet taken part and after that names will be drawn out of a hat. There are a maximum of 20 places to be allocated. You will be notified on Wednesday 23rd October whether or not your child has been allocated a place.
