18th April 2023

Dear Parents and Carers (Years 3 & 4),

To complete our unit of work all about Italy, we are having a week using our retrieval skills which will also incorporate our Design Technology unit: Italian Cuisine. During this week, the children will be tasting a range of food products with the final design being made. We will follow all the dietary requirements that we have on our system. For your information, the children will be tasting the following items:

- A tomato-based pasta sauce (two alternatives)
- Cheddar cheese (vegan alternatives provided)
- Mozzarella cheese (vegan alternatives provided)
- Basil
- Artichoke
- Pepper (red and yellow)
- Olives (green)
- Mushrooms
- Sweetcorn
- tomatoes
- Pizza base (vegan alternatives provided)
- Nan bread
- French bread

The children will then design their pizza using what they liked from the tasting session. We are asking for a **£2 contribution** to go towards the food tasting ingredients as well as the ingredients for making their final product. Please make your contributions on SchoolMoney. We will need this by **Monday 24th April**. If your child is entitled to Pupil Premium and they have money remaining on their Virtual Voucher this has been automatically applied for you.

To conclude the evaluation of the children's pizzas, we are inviting parents into school to taste the final products with their children on the following dates:

Redwoods – Thursday 4th May (2:30pm)

Silver Birches – Thursday 4th May (2:30pm)

Willows – Tuesday 9th May (2:30pm)

When the session has finished and been evaluated, the children are allowed to go home early at 3pm. If your child has other siblings in the school, they can be collected early to go home at the same time.

If you have any questions, please message your child's class teacher via Class Dojo, or contact the office.

Best wishes,

Jayne Tinto

Lower KS2 Lead
