24th February, 2020

Dear Parents and Carers,

I am sure that you are aware that your child will be completing the Year 6 SATs during May. For several years we have offered a series of additional after school lessons to prepare the children for these tests.

Beginning next week we will be starting these after school **MATHS** booster lessons for some of our current year 6 children. It is felt that your child would benefit from attending these sessions, which will run every **TUESDAY** evening from 3.30pm until 4.15pm. The first session will be during w/c Monday 2nd March. During the sessions the children will be split into small groups led by either Miss Blakeley, Mrs Tinto, Miss York, Miss Hedley or Mrs Clubley and will work through a series of SATs style questions in order to develop their confidence.

Although attendance at the club is not compulsory, we do feel that it will be extremely beneficial for the children to attend, as the work that is covered will supplement that done in school time and give your child additional practice in completing SAT questions.

Please complete the permission slip and return it to school before the first session.

If you have any questions about these booster sessions or about the SATs, please do not hesitate to contact me.

Yours sincerely,

Mrs. Julie Clubley - Headteacher
