Dear Parents / Carers

Welcome to our first week of distance learning. We will do what we can to help you out during this tricky time. Please log into Class Dojo so you can stay connected to us and have the opportunity to ask us questions throughout the week and we will do what we can to answer them.

Here is a suggestion of some things you could do during the day.

- Subscribe to The Body Coach TV on youtube (free) Joe Wicks will be streaming live PE lessons at 9am Monday to Friday, a great start to each day.
- Spend at least 2 hours outside during the day in the fresh air, this could involve helping in the garden, playing football, going for a family walk.
- Each day complete some of the learning pack that was sent home.
- Spend time reading each day, this will help to build vocabulary, fluency and confidence.
- Log in to the learning tasks on Purple Mash, Times Tables Rockstars, Numbots, Spelling Shed each day to build skills in those areas.
- Drink plenty of water and eat some healthy snacks.
- Spend quality time talking and sharing games.
- Build a routine to your learning time so everyone knows when it is time to work and time to relax.

Please remember that social distancing is crucial for us to be able to fight this virus. Have fun whilst learning at home.
