12th October, 2020

Dear Parents/Carers,

After half term, the children in KS2 will receive their French lessons using resources from www.languageangels.com, and we have access to the interactive games which can be played at home. The children have been set games which match their learning in school and this will be a valuable way for them to embed their learning. In the event of having to self-isolate, the games can be accessed as a way of continuing French learning at home.

All classes have a username and password and both of these are their class name – lowercase and no spaces. For information on how to access the games, please see the information flowchart included in this letter.

There will be a link to the language angels website on the homepage of the school website.

We hope the children enjoy being able to develop their language skills in a fun and interactive way.

Yours sincerely

Miss L. Hedley
