17th December 2020,

Dear Parents/Carers,

We are delighted to inform you that Miss York will be returning to school full time on January 11th following her maternity leave. She will be resuming the role of SENDCO and Inclusion Leader, which has been covered by Mrs Billingham in her absence.

Miss York will also have a teaching commitment and will be joining the Year 3 and 4 team as an additional class teacher in the mornings. She will be working with a small group of children from each of the 3 classes and teaching their English, Maths and phonics lessons in this smaller group.

Although all children will still remain part of their current class, and will return to their class for the afternoons, this more focused English and Maths teaching during the morning sessions will allow the children to consolidate and extend their learning of any key skills and concepts that were not fully embedded due to the lockdown at the end of the last academic year. This will be continually reviewed to ensure the correct targeted support is being given to those children who need it most.

Kind regards

Catherine Billingham
Deputy Headteacher
