STAY HOME ▶ PROTECT THE NHS ▶ SAVE LIVES

Well we have made it to the end of another challenging term. It has been a tricky term for everyone both in school and at home. The move to full remote learning has been a challenge but one that has been embraced by the whole school community. We want to thank everyone for all their hard work, dedication and support over the past six weeks. Without your support at home the children would not have made the progress that they have made. I would like to take the opportunity to thank the staff in school as well, they have worked tirelessly to support the children, answer numerous questions and queries, provide feedback and supported families who needed technical and well-being support. This last six weeks have made me very proud to be part of the Hawthorn family.

It has been a very screen intensive term, we have tried to devise activities that do not involve the screen but we are very conscious that a lot of time will have been spent sitting still and watching. We would like you to try to put the screens away as much as possible this coming week. The weather is due to be much warmer and hopefully the sun will shine for a little while so try to get some fresh air each day and be as active as possible. There is no work set for the half term break and Dojo will not be monitored so instead, put your feet up, relax and take some time to rest. You all deserve it!

We are very pleased to be able to display all the lovely hearts that have been bought into school from home as well as the hearts that have been made at school sharing messages for the community. We miss all of the children who are unable to come to school at the moment and hope that they are able to return to us very soon.

Parent interviews

Our parent interviews which had originally been scheduled for this week have been postponed until the end of next term. More information about this will be sent out after the holiday.

Dates for Your Diary:

As school is currently only open for vulnerable children or those whose parents are critical workers, our dates for the diary section is restricted. We will update this section as soon as we are able to confirm future arrangements.
