Dear Parents and Carers,

I am writing to inform you of some important news for the end of the school year. As I am sure you are all aware Miss Hedley comes from the North East of the country and after 15 years of being in this area she has made the tricky decision to relocate back to her home counties. Unfortunately, this means that sadly, she will be leaving us at the end of term 5.

I understand that this may be a concern for some parents, particularly after such an unsettled time with remote learning; however we have already begun the process of appointing a replacement to cover the teaching commitment that Miss Hedley has, once the recruitment process has been completed we will update you with further information.

We would like to wish her good luck in her move and hope that she can take with her some happy memories from her time at Hawthorn. The school will not be the same without her and she will be greatly missed by not only the children in her class but the children and staff throughout the school.

We will be welcoming back Mrs Corney who will be returning from her maternity leave, and will once more be taking up the reins in Maples class. We will fortunately not be saying goodbye to Miss Webster just yet as she has agreed to stay on in a part time capacity in Maples until she jets off to Singapore to start a new role next academic year.

If you have any questions or concerns please do not hesitate to contact me.

Yours sincerely,

Catherine Billingham
Deputy Head Teacher
