15th June, 2021

Dear Parents and Carers,

I am writing to inform you of some further staffing changes which will happen either during this term or at the end of this school year.

Miss Webster, who joined us on a short term contract to cover the maternity leave in Maples will sadly be leaving us at the end of June to pursue a teaching career in Singapore. She has been a valued colleague over the last twelve months and we wish her well for this exciting new stage of her teaching career. Mrs Clubley will be taking over Miss Webster's teaching commitment in Maples class until the end of the academic year.

Sadly two other members of our teaching staff will also be leaving us at the end of this academic year.

Mrs Hill who is the current teacher of Elm class has decided that the time is right to wind down and spend a little more 'me' time and will be taking early retirement. Mrs Hill has not only been a valued class teacher, but has taken the lead on a musical front across the school, leading our key stage 2 choir to some very successful performances not only throughout the town, but also at the Music for Youth event in Birmingham for many years.

After recently returning from her maternity leave, Mrs Corney has made the difficult decision to hang up her lanyard for the immediate future so that she can spend more quality time with her young family. We understand how difficult it is to juggle the demands of a job and family!

We are very grateful to both teachers for the hard work, dedication and enthusiasm that they have shown whilst they have been at Hawthorn and would like to wish them both good luck for their futures. We hope that they have some happy memories of their time at Hawthorn. The school will not be the same without them.

The process of appointing replacements for both teachers is in hand and once the recruitment process has been completed we will update you with further information.

If you have any questions or concerns please do not hesitate to contact me.

Yours sincerely,

Julie Clubley
Head Teacher
