

Hawthorn Community Primary School

KS1 Forecast

Term 5 2022-2023

This term our theme is:
Wicksteed Park

Maths

Year 1 will start the term with multiplication and division. They will start to record number sentences using their knowledge of counting in 2's, 5's and 10's. They will then move onto fractions Year 2 will start with fractions (finding a third) before moving onto telling the time.

English

The children will begin the term by writing a recount of their trip to Chester House. They will use the photographs to help them sequence the events in order and tell the reader about everything that they did. The children will then move onto non-fiction writing based on our class text, *The Tale of Peter Rabbit*, by Beatrix Potter. The children will be writing instructions telling the reader how to catch Peter Rabbit.

PE

The children will continue to prepare for Mayday by refining their country dance before moving onto gymnastics. They will also be practicing their catching and throwing in their 'Send and Return' unit.

Our core text:

THE TALE OF
PETER RABBIT

Computing

Children will learn how data can be collected in the form of a tally chart and a pictogram.

PE:

Ash: Monday and Tuesday
Bay: Tuesday and Friday
Elm: Wednesday and Thursday

Library:

All classes on a Thursday

Homework

At the beginning of each term there will be a grid posted on Dojo. Choose one activity each week to complete.

RE

This term the children are learning about Islamic stories and what these stories tell us about the Muslim faith and its followers. The children will compare the stories to those they have heard from the Bible.

PSHE

This term, we are continuing our Zones of Regulation lessons. The children are learning to label their emotions and which zones these fit into. The children are also recognising how they feel when they are in these zones.

Music

The children are taking part in a NMPAT music project this term. They are being taught to play the glockenspiel by Miss Salter, from NMPAT.
