

Hawthorn Community Primary School

KS1 Forecast

Term 2 2021-2022

This term our theme is:
Land Ahoy!

Maths

In maths, year 1's will be securing their understanding of place value in number before moving onto addition and subtraction. Year 2 will begin with fact families, before moving onto addition and subtraction.

Remember to look on Class Dojo for your weekly homework tasks!

History and Geography

We begin our learning by finding out what makes a person significant before learning about the significant explorer from history, Christopher Columbus. We will be learning about his life, voyages, the foods he introduced to Europe and the places that he explored. In geography, we will be learning about the continents and oceans of the world.

English

The text we will be using this term is 'Grandad's Island' by Benji Davies. We will be writing our own stories based on the text, making sure we are writing in sentences that make sense as well as use punctuation for names of people. The year 2 children will also be editing their work and using expanded noun phrases.

Library:

Bay: Monday
Ash and Elm:
Tuesday

PE:

Ash and Bay:

Thursday
Elm: Monday and
Wednesday

RE

Our unit is called 'Gifts and Giving'. We will look at gifts that are given at Christmas and how it is celebrated. We will also learn about as Eid al-Fitr and Zakat.

Science

Our topic is all about materials. We will be classifying materials based on their properties, describing everyday materials as well as naming them and comparing different objects.

Design and Technology

This term our unit is sewing. We will be planning and creating a flag using running stitch.
