Science

Properties of Materials

The children will carry out
investigations to understand
the different properties of
materials. They will gain
knowledge and understanding
of filtration, solubility, chemical
changes, thermal insulation
and heating and burning. The
children will develop their
scientific language and enquiry
skills.

This term our theme is:

Anglo-Saxons & Vikings

History / Geography

The children will learn about Anglo-Saxon
and Viking conflicts. They will learn how
the Vikings fought the Anglo-Saxons for
control over England. The children will
learn about the different kingdoms and
how the dark ages finally came to an
end.

Reading

The children should be reading daily and letting their teacher
know via Dojo about how many pages they've read / a quick
write up of what they've read / a video (or audio) of them
reading etc...

The children will do an Accelerated Reader quiz when they
have finished their current AR book.
