22nd December 2021

Dear Parents/Carers,

We have come to the end of a very long Autumn term and I am sure you are all looking forward to a relaxing and restful Christmas.

I would like to take this opportunity, on behalf of myself and the Hawthorn Team, to thank you for your continued support of our school and our children. As a school, we have achieved so much this term. Our children have had some amazing experiences with visits from the Wonderdome, Diwali dance workshop and to the Christmas Farm. We have been able to link up with our community and enjoyed celebrating Harvest Festival with residents from local care homes, collecting donations for the Kettering Foodbank and raising money for various charities, including Children in Need and Save the Children. We have taken part in a Remembrance Service, Bikeability and Friendship Week and most recently enjoyed Carols Around the Tree with many parents. We have had sporting success with achievements in cross country and multi-skills and have welcomed visitors from across Pathfinder Schools and our governing body to help enhance our teaching and learning at Hawthorn.

Our new Reception children are all very settled now and it feels as if they have been here forever! Well done on completing your first term - the recent nativity performances were a real highlight! Today we have had a magical afternoon watching the KS1 Christingle Service – such a lovely way to end the term.

All of these achievements have taken place alongside the continuing uncertainty of Covid, which has affected so many of our families and our staff. And none of these achievements would have been possible without your support.

At this point, we are not sure what January holds, however as always Hawthorn will be here to support yourselves and your children. We will keep you updated over the Christmas holidays if there are any changes, however currently, we look forward to seeing you all on Wednesday 5th January.

Have a wonderful, restful and relaxing Christmas and a very happy New Year.

With very best wishes,

Emma Jacox
Head Teacher
