Maths

Fractions

Decimals

Please remember to keep practising times tables and using Times Tables Rock Stars to help.

Science 1

Properties of Materials

The children will carry out investigations to understand the different properties of materials. They will gain knowledge and understanding of filtration, solubility, chemical changes, thermal insulation and heating and burning. The children will develop their scientific language and enquiry skills.

This term our theme is:

Extreme Environments

Geography

The children will learn about extreme temperatures and how planet Earth works in order to create these extreme environments. The children will learn about the different layers of the earth, volcanoes, earthquakes and tsunamis.

Reading

The children should be reading daily. This term, the children will use their reading journal to keep track of the pages they have read as well as noting down the gist, connections, theories, queries plus any other detail about the text.

CHILDREN WILL RECEIVE A READING RAFFLE TICKET IF THEY HAVE READ A MINIMUM OF 5 TIMES AT HOME.

The children will take an Accelerated Reader quiz when they have finished their current AR book.

PE Days

Tuesday – Maples, Cedars & Oaks
Friday am – OAKS only SWIMMING
Friday pm – Maples and Cedars
