21st February 2022

Dear Parents / Carers of children in Year 6

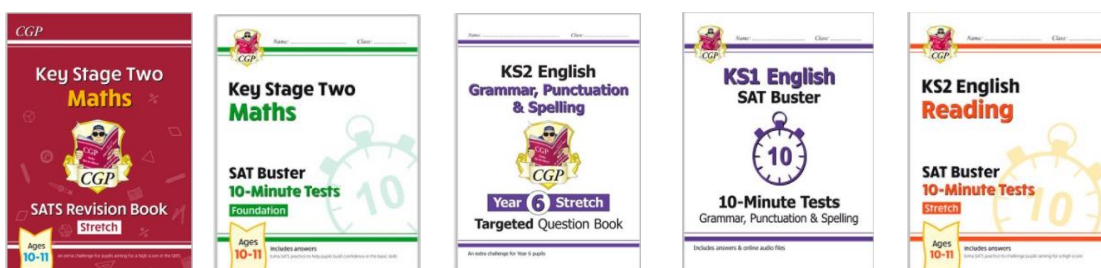

SATS 2022 update

This academic year, SATs (Standard Assessment Tests) will be going ahead. The dates for SATs are Monday 9th May to Thursday 12th May 2022.

I am sure you will have many questions concerning the SATs therefore I would like to invite you to an informal meeting regarding SATs on **Monday 7th March 2022 at 6.00pm**. Because of the current climate, I will be leading this meeting via ZOOM rather than face-to-face in school. I will send details about how to join the meeting nearer the time.

During Term 4, we will be offering after-school booster sessions. If your child is invited to come along, we would encourage you to support your child in attending the sessions. These sessions are great for building confidence and understanding in specific areas of learning. Children work in small groups supported by a teacher. The sessions run from 3.30pm to 4.15pm.

Quite a few children and parents have asked about revision guides. There are many high-quality guides and support out there. To help you navigate your way round, I have attached some examples of revision guides for Maths, Grammar and Reading. You can purchase these straight from CGP or via Amazon.

Your child is working incredibly hard and we are all so proud of their achievements. The last couple of years have been difficult in so many ways, and we want to support your child as much as we can in the run up to SATs and beyond.

Thank you for your continued support,

Liz Blakeley (UKS2 Phase Leader)
