23rd February 2022

Dear Parents and Carers of children in EYFS and KS1,

I am writing to tell you about an exciting online resource for children who are receiving phonics lessons in school: www.oxfordowl.co.uk

children

Oxford Owl online is a fun way for children to read at home and is designed to help children with their sound knowledge, word reading and comprehension through the use of e-books and quizzes.

All children have their own username and password which will take them to their personal homepage. It is here that you can find the books and quizzes that have been set for your child, according to the level that they are working at. It is recommended to read at least 1 book and quiz per week as part of your normal reading/homework routine. If your child no longer reads RWInc phonics books they will not have any book set for them but they can still access the main library of online books.

Your child's class teacher will be able to view your child's reading progress and how they have performed in their quizzes. As and when your child changes phonics groups in school, new books will be added to their personal library.

You will find your child's login details stuck inside the cover of their Reading Record Book. Please click on the following video link for more details: <https://youtu.be/EO6K93tpjFM>

Many thanks for all your support with this opportunity,

Miss Morris
Phonics Lead
