We will continue with our Vincent Van Gogh artwork developing art in his style. In addition, we will be designing a well using a pulley system for DT.

Maths

Year 3 – Statistics, Length and Perimeter, Fractions.
Year 4 – Division, Length and Perimeter, Area, Fractions

The children will continue developing their multiplication recall.

Science

This 'Solids, Liquids and Gases' unit in LKS2 will teach the children about the differences between solids, liquids and gases, classifying objects and identifying their properties. The children will work scientifically and collaboratively to investigate gas in fizzy drinks as well as explore the different states which water can be.

RE

Food and Fasting – The children will explore the role food plays within religions. They will discuss how food is used in everyday life, before looking at examples of its use within specific religions. Children will look at this across different religions: Christianity, Islam and Judaism.

Geography

The children have completed their geography skill lessons based on water. During this term, the children will go on a trip to Slade Brook developing their retrieval skills by recalling their knowledge when on the field trip.

A letter regarding this will be sent in due course.

PE Days

Willows – Monday and Thursday
Silver Birches – Monday and Thursday
Redwoods – Tuesday
Redwoods Swimming will take place on Fridays. A separate letter has been sent out regarding this activity.

Homework will be set on Class Dojo every Wednesday.
