Dear Parents/Carers,

We have had some instances recently of children bringing mobile phones or iPads into school and not handing them in to the class teachers.

As part of our Safeguarding and Child Protection Policy, the only children who are permitted to bring mobile phones in to school are those in Years 5/6 **who walk home alone**. If your child does not fit into this criteria, they should not be bringing a phone into school. iPads or smart watches should not be brought into school under any circumstances.

Please contact the school office as soon as possible if your child is in Y5/6, walks home alone and needs to bring in their phone.

In these cases, the child must hand the phone into the class teacher first thing in the morning and collect it at the end of the day.

Any children bringing phones into school whose parents have not made the office aware, or who fail to hand their phone into their teacher, will have their phones stored safely until a parent is available to collect it.

Thank you for your understanding and support with this.

Best wishes,

Mrs Emma Jacox
