

# Hawthorn Community Primary School

KS1 Forecast

Term 6 2022-23

This term our theme is:  
**Wicksteed Park**

## Maths

This term in maths we begin with place value in Year 1. The children will be learning to count from 50 to 100 and be able to say how many tens and ones are in a number. Year 2 will be focusing on statistics. They will read and analyse tally charts, pictograms and bar charts.

Please help your child to learn their weekly spellings.

**Library:**  
Thursday

## English

In English our class text is The Tale of Jemima Puddleduck. The children will learn the story through sentence stacking lessons, focusing on using basic punctuation and correct grammar. They will then go onto telling the story orally with the help of a story map before changing parts and writing their own version of the story.

## Geography

The children will be learning about maps this term. They will use this knowledge when exploring Wicksteed Park and will use compass points and map features to create a map of Wicksteed Park's play area. They will also learn how to use maps and Google Earth to find the route from our school to the park. At the end of the unit the children will be able to design their own park for which they will create a map.

## PE:

Ash: Monday and Tuesday  
Bay: Tuesday and Friday  
Elm: Wednesday and Thursday

## RE

The children will learn about what times of the year are special for Muslims. They will be able to talk about the special festivals that Muslim's celebrate and find out what happens during Ramadan and Eid-ul-Fitr.

## Science

The children will learn about the basic parts of a plant and what seeds need in order to germinate. They will find out the difference between evergreen and deciduous trees and learn about the life-cycle of a tree.

## DT

The children will learn about free standing structures in the environment before designing and creating their own piece of playground equipment.
