

Hawthorn Community Primary School

EYFS Forecast Sheet

Term 1 2023

This term our theme is:

Ourselves

Literacy

We will be learning about letter sounds and how they can be used to read and write. We will explore lots of stories and rhymes, discuss them with our friends and learn how to sequence the main events.

Expressive art and design

We will be learning how to use our new Creation Station where we will explore different painting techniques, junk modelling and malleable resources. We will also be looking at the work of artist Frida Kahlo and creating our own self-portraits.

Maths

This term we will be matching, comparing and sorting different objects. We will find objects that are the same and ones that are different. We will compare how many objects we have using the language of more and fewer. We will also be looking at pattern. We will continue and create and our own patterns.

Physical development

We will focus on developing strength and control in our fingers to help us hold a pencil correctly and write our names. We will practise moving in different ways and work on developing our ball skills.

Understanding the World

We will be learning about parts of the body and how we change as we grow older. We will also be thinking about members of our family and how we are the same or different. We will also learn about the festivals and celebrations of Harvest and Diwali.

PE will be on a **Tuesday** for Cherries and Apples. They will need to come to school in their PE kit on this day.

Library

We will be going to our school library on a **Wednesday** where we will have the opportunity to share stories and also choose a book to take home.

We will be having our Wellbeing day on Monday 11th September. Our focus will be on the British Value of **Community**. We will then continue to build upon our understanding of this value throughout the term.
