Dear Parents and Carers

I am delighted to share with you our recent Ofsted report which shows that Hawthorn has been graded Good in all areas.

This is a significant achievement for our school community and recognises the hard work and commitment which has taken place since the last Ofsted inspection in 2017 where Hawthorn was graded as Requires Improvement.

Inspectors commended our school for the welcoming environment and warm, trusting relationships. They recognised that our children enjoy coming to school, they embrace our school values and treat others with respect. The on-going work we have put into our curriculum has also been acknowledged: 'A broad curriculum lies at the heart of leaders' vision to provide a high-quality education.'

I know you will join me in congratulating our children, staff and governors on this great achievement, and I would like to thank you all for your continued support of Hawthorn. Together, we have created a supportive and thriving environment where our children can grow and flourish.

The hard work of course doesn't stop here - we are already looking forward to further refining and enhancing experiences for our Hawthorn children. We will continue striving to give them the very best education we possibly can, and look forward to taking you on this journey with us.

Best wishes

Emma Jacox

Headteacher
