DT

Pneumatics

Ch will learn how pneumatic systems work and will create their own system.

Maths

Addition and Subtraction
Multiplication & Division
Area (Y4 only)

All children will be encouraged to continue practising number bonds and their times tables.

Science

Sound

The children will learn how sound is made by vibrations. They will explore how volume and pitch of sound are different. They will also investigate how to use materials to soundproof. The children will continue to develop the enquiry skills throughout the unit.

History

The children will continue to learn about daily life of Egyptians and their beliefs, for example, mummification to enter the afterlife and different Gods represent different things. They will learn how to use primary and secondary sources to help the ask and answer historical questions.

Reading

The children should be reading daily. The children will use their reading journal to keep track of the pages they have read as well as noting down the gist, connections, wonders plus any other detail about the text.

CHILDREN WILL RECEIVE A READING RAFFLE TICKET IF THEY HAVE READ A MIMIMUM OF 5 TIMES AT HOME.

The children will take an Accelerated Reader quiz when they have finished their current AR book.
